

PRESS RELEASE

March 2011

STRONG KERB ADAPTORS

Queensland made Kerb Adaptors are now stocked by Havestock stores around Australia.

Cast ductile iron kerb adaptors are significantly stronger and long lasting.

With Havestock kerb adaptors, you can forget having to replace cracked and damaged units. And it is a huge advantage not to have ugly patched concrete kerbing detracting from the streetscapes.

These innovative and high quality products are machine molded to

ensure exact sizes and a clean finish.

Patterns are made to suit the most common range of kerb profiles.

Options available for volume orders include :

- ◆ Various powder coated colours
- ◆ You logo cast into each one
